

Classroom Camera Solutions

[2021 AV Summit](#)

[Noah Holm](#), University of Minnesota

Recent [AVIXA Webinar from 4/19/21](#). Discussion involved putting lots of cameras in a room is not the full solution:

University of Minnesota webpage launched this spring to [Compare Classroom Camera types](#).

Apple product announcement - [new iPad Pros](#) will have an : "Ultra Wide camera with Center Stage. iPad Pro features a new Ultra Wide camera with a 12MP sensor and a 122-degree field of view, making it perfect for FaceTime and the new Center Stage feature."

[University of Minnesota definition of Hyflex from 2020](#)

Additional resources shared by breakout session participants:

- [USB CAMERA MIXER TO USB 3.0 – usb camera mixer](#)
- [Stream Deck | elgato.com](#)
- [Loupedeck Live | Products](#) "The console for streamers"
- You can use Companion to add control to Stream Deck [Support \(bitfocus.io\)](#)
- Open source app I've seen used most frequently that enables a lot of the camera controls with unique equipment as well: [Bitfocus Companion](#)
